Father's
— DAY —

A father daughter have their own special relationship. ... "A **father** may only be a **dad** for a little while, but he is a daughter's hero forever." "A daughter who is loved by his **father** becomes a **father** who loves his daughter." "Great women are not born, but molded by their **fathers** and their **fathers** before them."

BEST DAD EVER!

Harry C. Meek, member of Lions Clubs International, claimed that he had first the idea for **Father's Day** in 1915. Meek claimed that the **third Sunday** of June was chosen because it was his birthday (it would have been more natural to choose his **father's** birthday). The Lions Club has named him "Originator of **Father's Day**"

This is why father's day is on 3rd Sunday of June
