

Welcome

A great saying goes “Real education fetches you more than a job. It teaches you to live. It cannot be measured in any tangible way” It is an enduring tradition to take time to pause, turn around and look at the fruitful year gone by, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude.

Respected Chairman, Sri DK Shivakumar, Vice Chair person Ms Aisshwarya DKS, teachers, parents and my dear students. It's a great pleasure to present the Annual Report for the academic year 2021-2022.

Our ventures in this direction is summarised in this report as we celebrate 17 glorious years in Appollo.

“A teacher cannot be replaced by anyone even the best of best devices and technology.”

In this academic session, the school as primarily been working in an online mode in accordance with the Government Regulations. All classes and students were in touch with their class teachers and subject teachers through Google Meet, Google forms, Video Presentation, You Tube videos and many virtual modes. Efforts were being made to ensure that all students actively participated in the online mode and ensure that maximum learning outcomes.

Teachers conducted their online classes with attractive and informative power point presentations, online activities and even conducted the periodic tests and examination through the online (hybrid) medium.

G Suite

“True leaders don’t create followers, they create leaders.” Investiture ceremony was conducted on 25th August. Witnessed by the parents, students and teachers through livestream.

Leadership and learning begins here....

**Appollo National Public School
Election 2021**

**Captain
Akshith Raj Gowda**

**Vice Captain
Abhinav M**

Congratulations!

Oath taking ceremony – Upholding the vision and mission of Appollo.

Virtual Assembly Programs

Assembly is really interesting
With all those talents showcasing
There is lot of acting
Which is eye catching

Lots of numbers
Hard to remember
With lots of information
Urge to achieve passion

Acting and singing together
Makes none bother
It's so good, so nice
Feels like floating in cold ice.

Throwback memories

Bhagavad Gita — Chapter 2, Verse 63

क्रोधाद्भवति सम्मोहः सम्मोहात्स्मृतिविभ्रमः ।
स्मृतिभ्रंशाद् बुद्धिनाशो बुद्धिनाशात्प्रणश्यति ॥

ಕ್ರೋಧಾದ್ಭವತಿ ಸಂಮೋಹಃ ಸಂಮೋಹಾತ್ಸ್ಮೃತಿವಿಭ್ರಮಃ |
ಸ್ಮೃತಿಭ್ರಂಶಾದ್ಬುದ್ಧಿನಾಶೋ ಬುದ್ಧಿನಾಶಾತ್ಪ್ರಣಶ್ಯತಿ || 63 ||

Core philosophy: *The side effects of anger*

Independence Day was celebrated on 15th August. Students of all the classes presented various programs which infused sense of patriotism.

Onam celebration It was held on 19th August 2021, Little Appollites blissfully participated by showcasing their presentation of **Virtual Floral Carpet** competitively.

Teachers Day Celebration It was celebrated on 5th of September. It was truly a spectacular day where the teachers were honoured and respected for their untiring guidance and support in moulding/ shaping the tiny buds into beautiful flowers.

Happy Teacher's Day
Teacher's day celebrated every year on 5th September. The purpose of this celebration is to pay respect to the teachers. So a teacher is a respective person in our society. Respect teacher and a teacher is who makes the future of a student bright. A teacher stands as the backbone of the student in their life. The teacher teaches us to walk on the right path by carrying the right things. A teacher is the second parent of the students. We all have grown up and now understand their value in our lives and can't imagine a beautiful future without their guidance. A good teacher will punish you and as well as love you.
By Neeharika S V C

HAPPY TEACHER'S DAY !!!
September 5th is the birthday of Late G. Radhakrishnan. He was Independent India's second president. We take pride in the thoughts and teachings of this guru of the gurus. We celebrate this day in schools and colleges by decorating them beautifully. We gift our most honourable teachers with wonderful gifts. Today is G. Radhakrishnan's birthday who is highly devoted to education. Dr. G. Radhakrishnan was born in Tirutani on September 5th 1888 in a poor brahmin family. He studied on the top of Scholarships. In 1900 he studied in

Ganesha Chaturti It was celebrated on 9th September, students enjoyed by making little Ganesh out of play material and learnt stories about it. Mask making Activity made it even more pleasant and enjoyable.

Ridhi S

Aarushi M

Adhvik AJ

Hindi Diwas was virtually celebrated on 14th September. On this occasion various activities were organized by the students to commemorates the event when Hindi was adopted as one of the official languages of India.

Introduced “Hindi Ratna Award” by Ms. Madhu Gupta to acknowledge and recognize the talented students.

Kannada Rajotsava was celebrated throughout the month of November to celebrate the vibrancy of the state of Karnataka. Students presented various colourful programs (dance, singing, acting and fancy dress), which depicted the rich and varied heritage of the state.

Mathematics Virtual Exhibition – encouraged the young learners to become a mathematicians.

Children unknowingly teach everyone three things:

- to always be happy
- to be inquisitive
- to fight tirelessly for something

This indomitable spirit of children is celebrated every year on November 14th as **Children's Day** to commemorate the birthday of our 'Chacha', Jawaharlal Nehru.

Vaccine drive

Appollo was eager to join the drive to secure the campuses and prepare for physical classes in due course.

Learn while you play

Nurture in nature

Swachhta Pakhwada

As part of the campaign for Swachhta Pakhwada, various activities were conducted in Appollo from 01st to 15th September 2021 to create awareness among the students regarding “cleanliness”.

It has been focused on three major precautionary practices i.e., handwashing with the soap, proper usage of mask and social distancing.

Various activities like painting, Essay writing, healthy living and eating, hygiene practices and slogan writing were conducted which enabled the students to take this mission of cleanliness to the community, thereby creating mass awareness.

Swachhta Pakhwada

“Clean and healthy people can make a wealthy country.”

Competitions

Tangram Puzzle Competition A new platform was created for tiny tots to exhibit their unique talent of designing their own shapes using Tangram on 4th August.

Sachintha Rajanna CA

Raashi A

Sanghavi V Kurpad

Krishna Janmashtami competition It was celebrated on 26th August. The students enjoyed by decking up in Krishna/Radha attire, enacting like little Lord Krishna and dancing to the beats of Krishna songs which was a feast to our eyes.

Science Day

To commemorate the discovery of Raman Effect, the National Science Day was celebrated with joy and enthusiasm on 28th February, 2022.

To make it more colourful, many events like Drawing, Debate, Quiz, Model exhibition and Fancy Dress competitions were arranged from class 1 to 10. Created scientific temperament, all our champions participated sportively. At the end of the day prizes were distributed by our principal Dr. Neerada and the teaching staff.

Photo Gallery

Women's Day 'A woman is the full circle. Within her is the power to create, nurture and transform.' As part of Women's Day students expressed their love towards their mothers by making attractive bouquet on 8th March, 2022, which celebrates the bond of love and affection that is everlasting.

Holi the festival of colours, is one of the most important festivals which is celebrated with great pomp and gaiety.

The students of Appollo celebrated Holi on 18th March, 2022 by creating spectacular artwork with varied colours.

Harshika N Gowda

Puppet Shows Children love visualization of stories the most and concentrate more on the characters played in it. Stories play a vital role in the growth and development of children as they are a useful source of information. It's a great way to introduce new words and ideas in child's language. They learn easily when taught through story based concepts.

The children enjoyed watching the puppet shows, "THE LITTLE RED RIDING HOOD", and "Three Little Pigs", with blissfulness.

School tour

The students of PG3 were excited on 29th March, 2022 to visit the school campus, labs, class rooms and basketball court. They were eager to see the biological models and specimens and were over-thrilled by looking at the sparkles coming out of the Magnesium ribbon.

Class Party

A great wrap-up for PG3 students with a big-bang celebration on 31st March, 2022. Wearing the party outfit, little ones had fun playing their favorite games and ended up munching their favorite food.

Parent Teacher Meeting was conducted on a regular basis to keep the parents aware of the students progress. Feedbacks were shared and kept the forum open for constructive suggestions. Parents expressed their appreciation on smooth conduct of classes and assessment.

Teachers Training and Professional Development

Our Committed staff of teachers are undergoing a process of continuous development by undertaking a number of training sessions on different portals of ICSE. Eager to accept the challenges of teaching in an online mode, the teachers have quickly learnt the different online teaching methods (recent trends in education) and ways of keeping students actively involved in a virtual mode.

Teachers Talent Show

Teachers Talent Show was conducted on Christmas day – fashion show, singing, dancing and enacting.

Recreation

Daily routine can be monotonous sometimes for body and mind. It is fair to take some time exclusively for a recreation and to recharge. Keeping this in mind Appollo team went for a delightful outing on 15 March, 2022 at Jaladama Resort. The resort resounded with the sound of music, dance and laughter, where the staff spent a fun-filled day with different activities and games, resulting a day promised with never ending memories.....

Break time

Graduation Day is not just the cessation of school life, but simultaneously, the commencement of life outside the four walls of this safe refuge.

It is a time of celebration, reminiscence and reflections, as the future unfurls with a myriad of promises.

Appollo School had its Graduation Ceremony for the batch of 2021-2022 on 23rd March.

“Graduation is not the end; it’s the beginning.”

Expanding Knowledge

“Knowledge is power. Information is liberating. Education is the premise of progress, in every society.

Club Activities

The goal of the club is to connect educators and students beyond the classrooms, giving them a space to explore in their areas of interest.

The four different clubs were Science, Mathematics, Dramatics and Quiz.

In addition to that Debates, discussions, modelling, art, music, acting, yoga in math, hangman, mono-acting, quizzing, karst topography, simple experiments were enjoyed by the members.

Quiz Club

Thirsty Crow flies over Afghanistan

Descript: A country that's trying!!!!

Our journey began as the flight over Afghanistan beckoned. We explored the history, geography, geo-political, trade, world impact and the current situation of the country. It was critically examined and discussed what possibly could be the impact of current scenario in Afghanistan over India and what measures we would need to act on for a better future of our country.

ALL Work And No Play Makes Jack A Dull Boy

Appollo introduces an array of fun filled skill enhancing clubs.

Dramatics Club

This is where talent is shaped and stars are born!
Descript: The Drama club was brimming with creative energy and overflowing with fantasy and imagination. While the acting session learnt about various expressions, the dancing session was tapping to music in storytelling. The tunes and rhythms from the singing session was all too endearing as you heard the story in song.

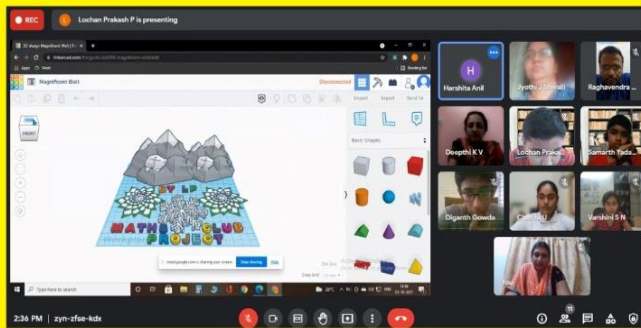

Mathematics Club

Tinker

Descript : A blank Canvas is all you need to write your future!!!!

Under the theme of "Thirsty Crow" the students loved modelling what could the thirsty crow possibly have seen as it flew in search of water. We had a flipped classroom as our students and teachers explored various structures, the shapes that make them, the dimensions to create them as they modelled their visions virtually. Students were given an insight into what are volume, pi, area and visual geometry.

Science Club

Water - Elixir of life!!!!

With a blend of online interactive aids and hands on experiments members of the Club explored the sub-atomic particles, molecule of water and various properties of water.

Agree or not!!! Hypothesis - evidence - Counter - agreement!!!

Students debated on the topics of "Online school a way of future" and "Is competition a necessary part of education?".

Weather to whether!

We're working backwards on understanding how the various structure of the earth were formed by rediscovering the science in weathering.

Theatre in Education

‘Theatre has the power to move, inspire, transform and educate in ways that no other art form can.’

The use of theatre inculcates learning from an academic, social and developmental perspective.

Students participated in the Karnataka ICSE School Association Examination which was held on 12th February, 2022.

Young Achievers

“Success in life is not for those who run fast, but for those who keep running and always on the move.”

Jalakam Vihaan Krishna from PG2 grabbed 20th rank in the National Level Inter-school Rhyme Recitation held on December 12th by Heritage Foundation of Art and Culture.

Aanvika of 1 D, has won state level championship in Abacus.

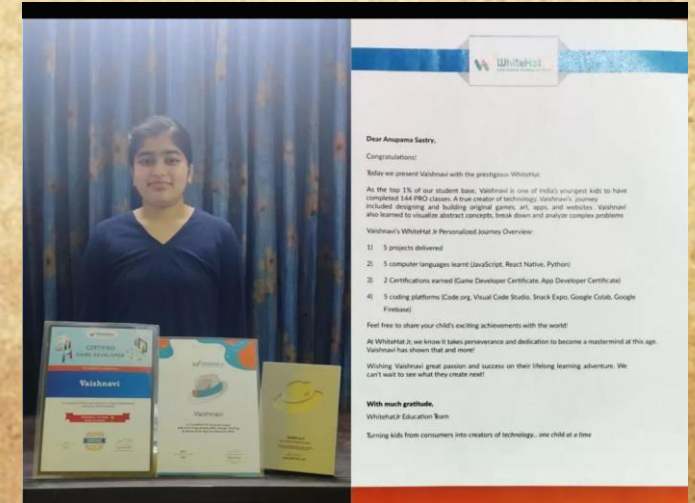

Maitri S Ganamur of 1A has been awarded the 17th Rank in the Solo Performance - Bharatanatyam held under the Sub-Junior Category in the 'VANDANA', National level Inter-school Classical Dance Competition on Sept 9, 2021.

Pranav Somayaji Sastry of 10 A (2022-23) is a certified Game Developer, AI coder and Full Stack Developer.

Vibhas of Grade 9 has won the title in Mission Olympics Table Tennis League in the Under-19 category. He has reached the semi-finals in the same tournament in the Seniors category.

Vaishnavi Somayaji Sastry of 10 A (2021-22) is a certified Full stack developer, AI coder and Game developer.

Hemant Sagar of Grade 10, a stellar author of Appollo National Public School published his book "The Revenge Story",

Ridhi S from PG 3 has been selected in Zee Kannada's Drama Juniors-4.

Ananya Shashidhar from Class 8A has won 1st runner up trophy at UCMAS Abacus State level competition in Grand level 1 category.

Accomplishment

The British council program involved all the leaders and co-ordinators along with the Principal who have worked on this program with a single goal of taking learning beyond the confines of the classroom. There were best efforts put in to find partner schools from abroad for collaborative activities. The cross- cultural coordination program has helped our students to learn the culture of many other countries. It was altogether, an enriching journey which facilitated our students to evolve into Global Denizens, which resulted in winning an award for International Dimension in Schools 2022-2025.

Team of British council

Launched: Maths lab and English lab

Inspiring place for exciting future

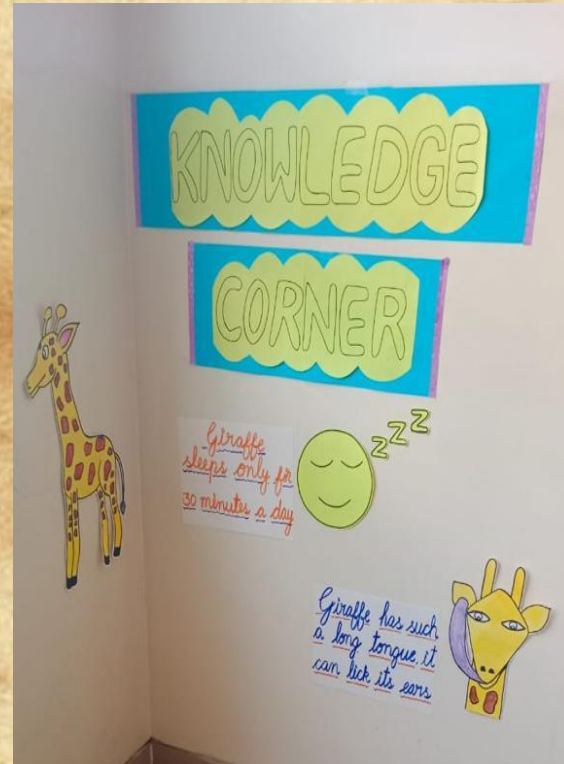

The **Council of Indian School Certificate Examination (CISCE)** has changed the pattern of 10th examination for the academic year 2021-22. The entire year has been divided in two semesters with each having 50% syllabus. The first semester exams was held in the month of November and the second semester will be held in the month of April 2022.

Innovative classrooms

E-magazine

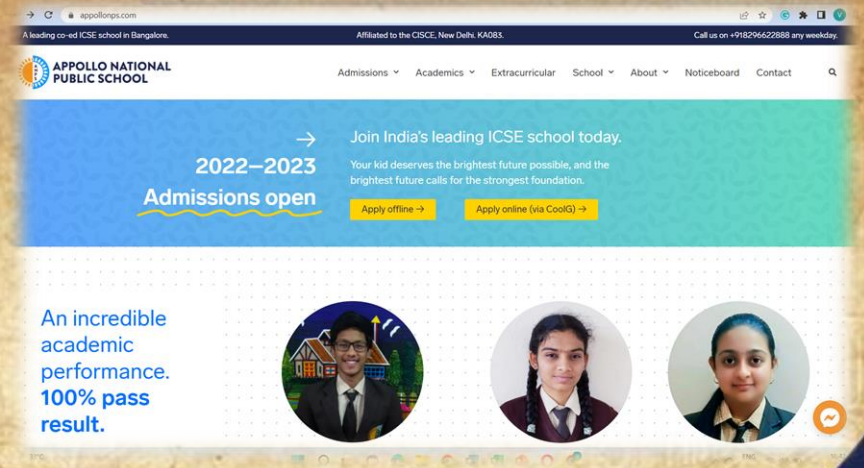

Taking steps towards digitising India starts at home. This year we have published our first e-magazine, covering our journey and highlighting the cornucopia of artistic and literary talents of ANPS. We believe that the e-magazine would help increase instantaneous accessibility of our content and keep interested stakeholders up to date.

Our Website gives insight regarding the information of the school, academic calendar, photos, newsletter etc.

Visit us at appollonps.com

Social Platform

‘The journey of a thousand miles begins with one step’. With this forethought, our Appollo School is on **Facebook** and **Instagram** highlighting the importance of each day, recognizing staff and students achievements and regularly posting the varied segments like Gregorian calendar, Know our Bengaluru, Art of India, Incredible India, Monday motivation - acknowledging our staff , Historical Wednesday, Nostalgia-write ups from our Alumnnii.

Academic partners Cool-g and Google classroom

Academic performances and other virtual communication to the parents, educators and students have been achieved with the effective use of the web portals.

Thank you
