## Appollo National Public School

As I, \_\_\_\_\_

Stand on the brink of a new beginning  
Bidding farewell to the school I cherish  
I promise to abide by the principles  
On which this Institution is founded .

I shall be honest in thought, word and deed  
Choosing Integrity over Mendacity.  
In a world of Complacency and Compromise  
I shall hold fast to the Values and Ideals  
I have imbibed and absorbed all my years at school.

I promise to persevere in my endeavors to  
Scale lofty heights  
with Diligence and Sincerity and bring credit  
To my alma mater.

We resolve to Strive, to Seek and not to Yield.

*Sing all hail for Appollo National*

*Sing loud and long*

*Our beloved Almamater*

*Come and join her song.*

*Lift up the banner bear it onwards*

*Character and conduct*

*Are the watch words of our culture*

*Valiant be ye youth.*

*Grant the spirit of love and liberty*

*To face the challenge of life,*

*Bless us with the spirit of loyalty*

*To meet the challenge of life.*

*Sing all hail.....*

**Hold Onto The Memories:**

**Memories fade, but they're never lost  
Colors change with time and change of heart**

**If I hold onto the memories and use them to guide me  
Will you be right here beside me  
Everything I know is behind me  
I'm starting a new life  
I just don't want to say goodbye**

**The sun has set on everything we know  
Friends we've made, I don't want to let go  
After everything that we have learned  
It's our time now, it's our turn**

**If I hold onto the memories and use them to guide me  
Will you be right here beside me  
Everything I know is behind me  
I'm starting a new life  
I just don't want to say goodbye**

*No matter where you go  
Every time we look back on this road  
You'll always be a part of who we are  
Everything we've taught  
Through the pandemic we have fought  
Through highs and lows , your  
knowledge we watched it grow.*

*You grew from strength to strength*

*Inspired us to go on*

*You cared in every way*

*In our hearts , you will always STAY.....*

*In this moment let us say*

*How we are grateful everyday*

*We are here to guide your way*

*All that you can be  
Means so much cause you believed in us  
You sure did follow through with dignity.  
When the lessons end I can share with you just  
like a friend  
Your loving smiles and sighs  
Keeps us same*

*You grew from strength to strength  
Inspired us to go on  
You cared in every way  
In our hearts , you will always STAY.....  
In this moment let us say  
How we are grateful everyday  
We are here to guide your way*

STAY.....

*In this moment let us say How we are grateful everyday*

*We are here to guide your way*

*When you are gone beside us stay*

*In this moment let us say You took so little made it great*

*There's no fear Appolo's dreams are alive with you ....*

*And we really want to say we're so proud*

*of you ...*
