

My Dad, My Hero

My Dad's name is Mr. Mohan Babu Nellore. He presently works as a Sr. Director at Visa. He always helps me with any questions, and takes good care of me. He is always engaged in one meeting or the other. But he too is not much busy as he helps me when there are any technical issues. I too will walk with him in the evenings as he gets free time. My dad is my hero. Love you dad! And happy Father's day!
