

**MY FATHER
IS
MY HERO**

I love my father

He has given me the best things in my life, he loves, he cares, and he guides me at every step I put forward.

My Appa is not only my super hero, but he is also my “**Best Buddy**” with whom I Play, Dance and Enjoy.

He is my buddy with whom I share all my happiness, doubts and fear.

He guides me, he motivates me and encourages me and always shows me the correct path.

The background is a solid yellow color. It is decorated with several realistic water droplets of various sizes. Some droplets are in the top-left corner, some in the top-right, and a cluster of larger droplets is in the bottom-right corner. The droplets have highlights and shadows, giving them a three-dimensional appearance.

He Is My Role Model,

He works hard and make sure that the family is always happy.

I always dream to be like him, who always loves, cares, cheerful and truthful.

Happy Fathers Day
Appa
